

December 2018 Construction Update

Progress on I-77 Express continues and is on track to help make travel easier in the Charlotte and Lake Norman region. Below is a look at the construction activities slated for this month:

- Crews are placing asphalt on the outside lanes in Mooresville.
- Delineators, that separate I-77 Express from the general purpose lanes, are being installed along the corridor from Mooresville to Cornelius.
- Construction continues on noise walls as crews work to complete them in the Mooresville and Davidson areas.
- Work on the new roundabouts at the Griffith Street bridge in Davidson are scheduled to be complete early next year.
- Paving operations are underway on I-77 Northbound from north of Westmoreland Road to north of Exit 25 Catawba Avenue in Cornelius.
- Traffic will soon shift to the outside lanes of I-77 Southbound between Westmoreland Road and Exit 28 as crews continue paving in this area.
- Construction of the new Hambright Road bridge in Huntersville continues as crews anticipate reopening the bridge in the first months of 2019. The direct connectors to and from this bridge will open later in 2019.
- Crews are working on the outside lanes of I-77 Southbound from Exit 23 Gilead Road to Mount Holly-Huntersville Road.
- Concrete barrier wall is being built in the middle of the new express lanes south of Sunset Road in Charlotte.
- Various minor traffic shifts within the I-85/I-77 interchange will occur during December as construction continues in this area.
- Bridge beams are scheduled for installation at the Oaklawn Avenue bridge and the new ramps into and from I-77 Express at I-277 in Charlotte during December and January.
- Construction continues on the new southbound ramp from I-277 to I-77 Southbound in Charlotte. The new ramp is anticipated to open in January 2019.

Lane delineator installation

Northbound barrier installation

New bridge from I-277 Westbound to I-77 Southbound

All 26 miles of the I-77 Express project are currently under construction. Safety is our number one goal. Motorists are encouraged to pay attention when approaching the work zone, obey the posted speed limit and work zone signs, and allow extra time to reach their destinations safely.
